

## Quilters' Connection **Donations Coordinator**

The Donations Coordinator has a QC email listed on the web site and is the contact person for all supply donations. She responds to any inquiry about donations and arranges a way to pick up (or get picked up) the supplies. She sorts (or facilitates the sorting of) the donations and coordinates with members who utilize them: Raffle Coordinator, Auction Chair, Comfort Quilts, Adopt-A-Fabric. Any member who is contacted to accept donations should coordinate with the Donations Coordinator. This is an Intermittent responsibility happening on average 2 - 6 times a year.
