

Improvisational Piecing Workshop

Improvisational Piecing

Do you want to learn to let loose with your piecing? In this workshop students will get tips and tricks for making fun, spontaneous quilts. As each student works on her own improvisational piece there will be ample time for experimentation and real time problem solving.

Supply List

- Sewing machine in good working order
- Basic sewing supplies (pins, needle for machine, seam ripper etc.)
- Scissors
- Rotary cutter, mat, and rulers. We will be working with small pieces, so a small mat is adequate. Bring a couple of your favorite acrylic rulers.
- Neutral thread
- Fabric scraps from your stash – an assortment of light, medium, and dark values. Now I know you're going to ask me how many scraps and how big? That's hard to quantify – but a grocery bag worth of scraps, whatever sizes you have will work. Remember this is Improvisational Piecing – we'll improv with whatever you come up with!
- 3, ½ yards of solid fabrics – 1 light, 1 medium, 1 dark value all in the same color family
