Fabric

Option #1 (Do this option if you are primarily interested in learning the techniques discussed in the workshop. This is the simplest option.)

8-12 Half-Yard Cuts in solid fabric colors you love

Plus Half-Yard Cuts of a white, a brown, a grey, and a black

Option #2 (This is a more advanced option for those who want to do some color exploration and practice selecting a beautiful palette.)

Bring a tub measuring approximately 16" x 10" x 10" of your solid fabrics and/or fabrics that read like solids. Try and bring a wide range of values and colors.

Option #3 (This is for the wild ones.)

Bring whatever you have got that you like in the largest box or suitcase you can find, and we will see what happens.

Notes on Making Prints out of Solids

In this class, we will be exploring a variety of ways to piece original prints out of solid fabrics. We will learn how to make stripes, polka dots, pointy shapes, herringbones, and plaids. We will experiment with cutting without a ruler as well as explore ways to use your ruler that give the illusion of free form cut fabric. This is a technique based workshop, but we will discuss how to take these techniques and create final compositions.
