

Quilters' Connection 2018-19 Workshop Supply List

Andrea Brokenshire workshop

Saturday, September 22, 2018, 9-4 - Snippet/Confetti Background

Come play with fabric and learn Andrea's technique for this highly textured background. This is a full day workshop (making the background in the morning and stitching it together in the afternoon).

This class requires knowledge and experience of free motion quilting. For the stitching portion of the workshop, the students may sew directly on their backgrounds or if they would like to practice their machine quilting skills, first, they can bring a couple of fat quarter sized "18 x 22" muslin quilt sandwiches to stitch on.

Supplies needed:

- 1) 1 Fat Quarter foundation fabric in your chosen dominant color of your background (this is going to be covered up- great way to use up fabric in your stash.)
- 2) 1 Fat Quarter quilt back
- 3) 1 Fat Quarter batting
- 4) 3/4 yard "Wonder Under" or "MistyFuse" Fusible web. (Bring pressing cloth or teflon sheet if you use Misty Fuse).
- 5) A variety of **batik fabrics** (at least 25) in 3" strips that equal 1-1/2 yards of fabric from your stash. (To select batiks, choose one batik with multiple colors as your inspiration fabric and then pull additional batiks with complementary colors from your stash to build your confetti).
- 6) Rotary Cutter and Mat
- 7) 1 Zip-lock bag (Gallon size)
- 8) Sewing machine that can be used for free motion quilting plus the free motion foot.
- 9) Thread to match the background fabrics.
- 10) Scissors and snips.
