

Waterworld with Angie Hughes

Materials and Equipment..... you will need

Soluble Film or soluble fabric ½ metre (please use anything you have of this nature as an experiment don't buy anything special)

Cord for wrapping, knitting cotton, wool, stranded cotton....any of these say 1 metre worth

Organza, smallish piece to fit in to 8" ring

Threads, well honestly anything goes, pull out a tonal collection, inspired by the colour scheme, I have used madeira machine embroidery threads mainly Classic 40, wonderfil spaghetti, hand dyed mercerised cotton, stranded cotton and anything I think will look nice. Variegated anything I love too.

Sewing machine with a free machine embroidery foot and straight stitch foot

8" embroidery ring wooden with the inner ring bound it helps to clamp everything tightly, important!!

General sewing Kit, hand stitch needles, scissors etc.

Additional ideas Background fabric, felt, velvet, dyed cotton. (I used hand dyed velvet in the left image sample) it's about 25 cms square OptionalBeads etc
