**Striped Stripped Hot Pads**

Missy Shay, member of Quilters' Connection

Using the technique of strip piecing to make a hot pad for use under your favorite hot food or beverage. We will use different widths of fabric to create the top of the pad, with a layer of batting between that and the backing.

The Quilters' Connection is bringing an exciting fall and winter to the Watertown Free Library including quilting classes at HATCH, a lecture on November 16, and an exhibit and sale of QC member quilts at the library during the month of November.
